A member of the

CHARLTON SCHOOL VOLUNTEERS

Charlton School is looking to create a bank of volunteer staff, to work alongside our education professionals in curriculum areas. We are looking for individuals who feel they would like to be part of our hard working staff on a voluntary basis and who are keen to work in a variety of roles across the curriculum. We are especially hoping to recruit some support in Science, Art, PE, DofE, Food Technology and Textiles.

Volunteers come from all walks in life and will look to volunteer for many reasons. If you have a particular interest in school life, or just need something to fill your day, please consider joining our team of dedicated volunteers.

Duties could range from working behind the scenes to prepare for lessons and to clean up after practical sessions, to assisting staff during the lessons.

An enhanced DBS will be required, which is free of charge and you will go through the usual vetting processes required to work in a school.

If you would like to be considered as a volunteer, please complete the application form and return it to:
