

Transition to Charlton School

Year 6 Transition pack

Subject: Music

Our subject is all about Listening, Performing and Composing. In Year 7 we learn about Musical Elements, Rhythm & Pulse and how to play the Ukulele!

Transition activities

1. Create a "spotify" playlist of **10 songs**, that **1. Gets you up in the morning. 2. Great for a workout. 3. Makes you want to dance. 4. Great for a long car journey. 5. Reminds you of an important event in your life. 6. You can chill to. 7. Makes you angry! 8. You know all the words to. 9. A childhood favourite. 10. that represents you.**
2. Watch the group "Stomp" and an extract from their film "Out Loud" on Youtube. They create Music with unusual items, or things you would normally throw away. Make yourself some instruments from "junk" then create and record your performance!

Reading lists

1. What are the four "Families" of instruments that make up an Orchestra?
2. Who directs the Orchestra when it rehearses and performs?
