

Transition to Charlton School

Year 6 Transition pack

Subject: Drama

Welcome to the exciting world of drama. This is a practical subject where we look at and explore a variety of thrilling topics that enthralls your imagination.

Transition activities

1. Create a comic book strip based on, being stranded on a desert island. Use speech bubbles and drawings to highlight the storyline. Think about how you got there – shipwreck, plane crash?
2. Decide on, three things you would take or rescue from the plane or ship to help you survive – remember you may be on there for a while, so these items need to be reusable.
3. Create a script for your storyline – are you there on your own or is there someone else with you? What exciting things happen? Do you survive? Do you get rescued? What else/who else is on the island, are they hiding - people/creatures/monsters?

Reading lists

1. Lord of the Flies by William Golding
2. Blood Brothers by Willy Russell
