Message from the Principal

Where does the time go? This was a song used at our Leavers' assembly and there never has been a more apt song! It was lovely to celebrate their achievements, with what has been a milestone year group. They were the first year group to sit all the new reformed GCSE qualifications, following our own new curriculum model and they are the first Year 11 group to have spent longer in the new building than the old. They could not believe their time at Charlton had come to an end! They were well respected by staff and have made a significant contribution to the excellent progress the school is making; they will be missed.

“Year on year, I am more and more impressed by the talent of our students.”

As always at Charlton it has been a year packed with so many opportunities for students outside of the 5 x one hour lessons every day. Many students have benefited from opportunities within expressive arts, sport, STEM and languages, creating memories that will last a lifetime.

Mr A McNaughton
Principal

Year on year, I am more and more impressed by the talents of our students, they continue to excel in the classroom, on the stage and in the sporting arena.

This year has been our most successful on a sports front, our sports awards evening was a real showcase of talent at Charlton, celebrating the performances of individuals and teams. Our top two teams were the all-conquering Year 10 girls handball team, who reached the National finals, missing out on a semi-final place on goal difference; and our Year 8 and 9 boys rugby team who won the County Cup for the first time in our school history, beating Shropshire's leading independent schools on their

...continued over

way to the trophy.

Many of you are aware of my PE teacher background, and I have to say our current Year 10 girls are as strong a group as I have had the pleasure to have seen in any of my schools in 21 years of teaching. I have challenged them to ensure they leave a legacy of sporting success, by inspiring future generations of sports stars at Charlton.

This term has been no exception for opportunities, with a vast array of trips, including three overseas residentials, Duke of Edinburgh expeditions, extended project evening, Learning Community Trust dance showcase, Learning Community Trust Banquet, rewards trips and our end of year arts showcase - Charltonbury.

Charltonbury has grown and grown and now has three stages, showcasing the very best singers, bands and dancers, not only from Charlton, but our feeder primary schools and other

secondaries. These events can only happen with the dedication and support of the whole staff team. I thank them all for the opportunities they provide for the students of Charlton.

It is always sad at this time of year to say goodbye to staff leaving us for pastures new. This term we are saying goodbye to Mr Austin, Mr Lappin, Mrs Williams, Mr Round,

Mrs Maceachen, Mrs Alston and Mrs Bowler. We wish them all the very best for the future.

In the new term, please look out for

a parent survey which forms part of the work we are undertaking on the culture and climate for learning at Charlton, we have spent a great deal of time developing our behaviour for learning policy and revisiting our vision and values this term.

I wish you all a very happy and healthy summer holiday and thank you for your continued support.

“We have spent a great deal of time developing our behavior for learning policy.”

Year 11 Leavers Assembly

The Year 11 Leavers Assembly was held recently to say a fond farewell to the amazing Year 11 students. We wish them well— congratulations Class of 2019!

Dancefest

“Many of us had the privilege of watching LCT DanceFest at Oakengates Theatre. It was a stunning show with performances from HLC Primary, HLC Secondary, Charlton and Erccall Wood. It was great to see our students across the Trust dancing together but also showcasing Dance from their own schools. The range and styles of dance was incredible, we have some very talented young people in our schools.

One of the highlights was the staff dancing to ‘Queen’, again from all the schools, to bring the show to a close. They were amazing!!

A huge thank you to our wonderful Dance teachers Grace, Brogan and Libby (HLC), Amy (Charlton) and Laura (Erccall Wood) for working with the students to produce so many fantastic performances; I know how much time and energy you have committed to bringing this all together.

Thank you also to all the staff back stage managing the students and supporting the Dance team.”

Gill Eatough, Executive Principal/CEO of HLC

“I’m so proud of our students and their performances. We also had feedback from HLC and Erccall Wood about how polite and lovely our students are.”

Miss Crampsie, Dance Teacher

“I would just like to say a huge congratulations to Amy for coordinating Charlton’s students and staff at the LCT Dance Fest. It was an outstanding event showcasing the talent across the three trust secondary schools and HLC primary.”

**Mr McNaughton,
Charlton Principal**

Charltonbury

Recently, we held our annual outdoor event, Charltonbury—Charlton’s very own version of Glastonbury. It was an evening of craft, food, music, dance, games and drama for the whole community to enjoy. As well as entertainment there were also a number of craft stalls, a food court and a bouncy castle. Many of the stalls were hosted by parents or members of the local community. We would like to extend our thanks to them for helping to make the event such a success.

Carnegie Readers 2019

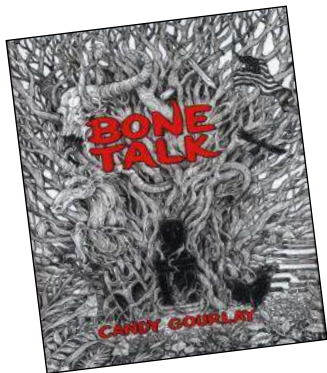

A team of seven keen year 7 readers represented Charlton School at 'The Bashes' at Idsall School on 18th June to respond to 100 questions in the form of a quiz about the shortlist of Carnegie books for 2019. They enjoyed the competition and the fun of the quiz as well as the delicious refreshments.

Bone Talk (12+) review by Libbylouise Herbert

About this book

The book "Bone Talk" written by Candy Gourlay and illustrated by Kerby Rosanes, it's set in a Filipino jungle, 100 years ago and is about a boy called Samkad who is about to become a man for the first time. He is desperate to be given his own shield, spear and axe but his best friend, Luki wants to become a warrior too but she is a girl and that is forbidden. Then one day a new boy arrives in the village with news about people called 'Americans' are bringing war to his home. When the story starts, Samkad is most worried about receiving the Cut (something like circumcision that happens to boys in their tenth year on the cusp of manhood) and his slightly complicated friendship with a girl called Luki. He has never met anyone outside of his tribe before, but everything changes when the Americans invade.

Who is it about?

Samkad is a boy from a remote Filipino "head-hunter" tribe called Bontok in the highlands of the Philippines, back in around 1899. Samkad's story is told so sensitively, so lightly and so truthfully that you are completely transported (heart in mouth) to another time and world – until Samkad's concerns are your concerns and you're with him every step of the way. His best friend is a girl called Luki who dreams of becoming a warrior too one day but sadly she's a girl and it's forbidden for a girl to fight with a shield, spear and axe or any weapons at all.

About the Author

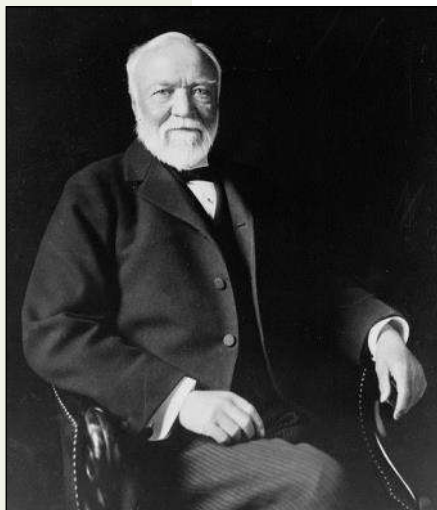

Growing up in the Philippines, Candy Gorlay wondered why all the books she'd ever loved didn't resemble her steamy tropical home in Manila. As a result, it took her years to fulfil her dream of becoming an author – and years to learn that Filipino stories, too, belong in the pages of books.

About Carnegie

Andrew Carnegie was a Scottish-American industrialist, business magnate, and philanthropist.

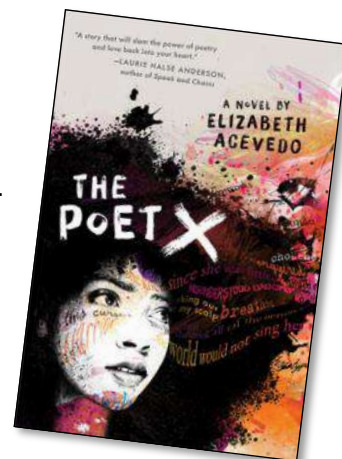

Carnegie led the expansion of the American steel industry in the late 19th century and became one of the richest Americans in history. He became a leading philanthropist in the United States and in the British Empire. During the last 18 years of his life, he gave away about \$350 million (conservatively \$5.15 billion in 2019 dollars) to charities, foundations, and universities – almost 90 percent of his fortune.

Carnegie died on August 11, 1919, in Lenox, Massachusetts at his Shadow Brook estate, of bronchial pneumonia. He had already given away \$350,695,653 (approximately \$76.9 billion, adjusted to 2015 share of GDP figures) of his wealth away. Carnegie died of a disease called “Bronchopneumonia” (a type of lung disease/problem).

The Poet X review by Hollie Betterton

The Poet X written by Elizabeth Acevedo is very interesting, emotional and beautifully written. It's set in the present day and is about Xiomara (see-oh-mah-ruh). The book is written in poetry as if it's her diary. In the book she is seen as a girl who seems OK at school but at home, not so good...

It starts with her giving a bit of information about her and her brother Xavier. When she's seated next to a boy called Aman in Science, she can't deny that she is attracted to him. But her mother has other ideas of Xiomara becoming a nun.

Xiomara also wants to be a poet and starts 'Slam Poetry Club', unleashing her inner voice, from a shy schoolgirl to a young woman poet.

I enjoyed this book; it is for older readers because some words are quite strong and may upset younger readers.

Under 25? Struggling to fund your passion? Financial circumstances holding you back?

Make sure you apply for the Young People's Grant Scheme.

It's not all about representing England and competing at the highest levels, we want to hear from people achieving at a personal level or tackling tough situations head on.

Funding of up to £1,000 is being awarded in the three categories: Education, Training and/or Employment; Performing Arts Culture; Sport.

Apply now <http://socsi.in/RPTib> Closes Monday, 30 September 2019

CAREERS AND ENTERPRISE

Year 10 A Day For Your Future

On Monday 1st July, the whole year 10 cohort participated in a day to prepare themselves for future interviews both educational and vocational.

All students were presented with a welcome pack which contained important paperwork for the day and goodies.

Throughout the day, the students were able to converse with a range of employers from across Telford whilst participating in various activities:

Interviews

Over 30 employers gave their time to the students to interview them and share their interview knowledge. Each student was observed by their peer and the employer completed a feedback sheet for the students to take home.

NCS Employer Skills Session

The students were given various challenges to participate in whilst considering the skills implemented, such as: leader, problem-solver. A very active session to help the students' team building skills.

Panellists

Five diverse people discussed with the students the journeys which they had taken since leaving Secondary School and offered a Q&A session afterwards.

Post 16

Telford College hosted an interactive session to introduce the students to Post 16. After a brief introduction to Post 16, the students were able to participate in some hand/eye co-ordination activities.

Careers Room

Four additional employers shared the opportunities available to the students for engineering (McPhillips), electronic manufacturing (Schnieder), NHS and DWP. The students heard a short summary of the different sectors, followed by a Q&A session.

The students were amazing throughout the whole day and engaged with each activity as they were presented. Many were nervous and completely out of their comfort zone however they all embraced the challenge; they should all be incredibly proud of themselves.

Telford College Taster Session

Year 10 students attended a taster session at Telford College on Thursday 11th June.

Having already selected two tasters to participate in, the students made their own way to the college ready for that Post 16 experience.

Starting with an informal meet and greet in the sports hall, the students were soon packed off to their first taster. The tasters ranged from Social Sciences A level to Hospitality and Catering Vocational courses.

The first taster sessions were incredibly successful with the students chatting excitedly about what they had been doing. There was a chance for a quick meet up before they got to experience how the restaurant functioned – and the meal deal went down a treat.

The second taster followed lunch; the students moved into their new groups for the afternoon session. Again, the sessions were incredibly successful and the students made their way home happy with some new experiences to dissect.

Maths Challenge

Some of the Year 7 and 8 Maths classes took part in the UKMT Maths Challenge this term. We had some fantastic results with many achieving bronze and silver awards.

Year 7:

Zeeshan Hussain achieved best in his year and a bronze award.

Lewis Stewart-Jones, Boris Deacon, Matthew Morris, Jaiyeolaoluwa Shofoluwe, Toby Pluck, Tommy Taylor, Joe Bickerstaff, Amy Taylor, Oliwia Orlik, Jacob O'Toole and Kaitlin Hill all achieved the bronze award.

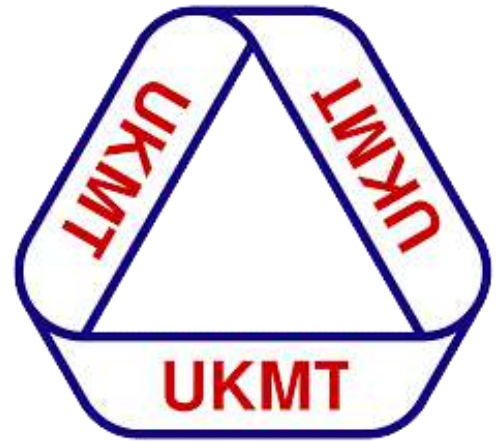

Year 8:

Robin-Tyler Dawson achieved best in school, best in her year and a silver award.

Louis Elliott, Wiktor Zaczynski, Abigail Sellwood, Alicia Podmore and Rowan Lewis all achieved a silver award.

Louis Goode, Nikkita Feist, Kailum Ryan-Purcell, Joshua Gosnell, Holly Taylor, Jasmin Wilcox, Grzegorz Wiekiera, Callum Evans, Emily Roberts, Preston Ward, Rebecca Formby, Leah Bishton, Elisabeth Whittaker, Georgina Starling, Leonie Childs, Jack Houldcroft and Lilly Dyas all achieved the bronze award.

Congratulations to all.

Chess Club Competition

The Chess Club competition took place from the 15th January until 2nd April. It was a hard fought contest with Jacob Barnett eventually emerging as the victor.

Mr Cartwright, who runs the club, said, 'The Chess Club goes from strength to strength with the students gaining match practice and social skills within a team. Their commitment to the club is outstanding and they are a credit to Charlton School!'

Shropshire Star Tokens

Thank you to all students, staff and parents who helped collect Shropshire Star tokens for the Shropshire Prostate Cancer Support group. The group came 6th out of 35 groups and were presented with a cheque for £930.30. These funds will help to provide 10 nurses and laboratory testing or a P.S.A testing evening for men in the local community who are over 50 years of age.

The Trustees of Shropshire Prostate Cancer Support group wish to say a very big thank you to you all.

U15 Tigers Victory

Year 10 students Thomas Howles and Kobi Lucas completed their Ice Hockey season for Telford Tigers U15's recently in a single winner takes all promotion/relegation play-off against Coventry Blaze U15's.

The Telford Tigers U15's team had won the 2nd division a few weeks before, winning 20 out of 20 games, and securing an eleven point victory over their closest rivals. Tigers played teams from Manchester, Whitley Bay, Sutton in Ashfield, Sheffield and Solihull. They scored 212 goals in the process and only conceded 29 across the whole season making them one of a very few teams to go a whole season un-defeated in any sport.

At the beginning of June, the Tigers managed to win a hard fought encounter against Coventry from the 1st division 7-3 and thereby secured promotion to division 1 for the 2019/20 season.

This is a massive achievement for the whole team and something that should be celebrated. Additionally,

THEY EARNED THEIR STRIPES
The Telford Tigers U15's went undefeated this season.

Thomas, who is only in his second season as a player, was selected to play for a Telford Tigers select U16's team in an international competition held in Solway, Scotland.

Skating for Charity

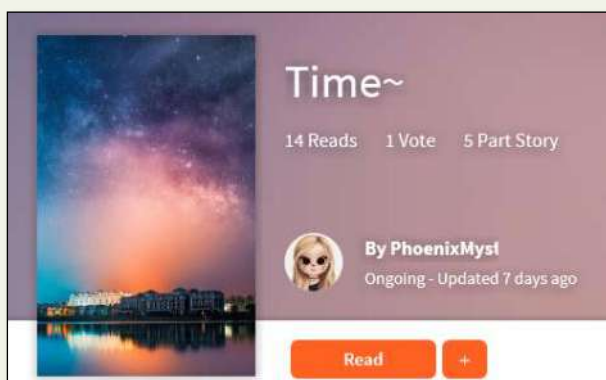

Jenna Scantlebury undertook a sponsored half-marathon ice skate at Telford Ice Rink recently. She managed to complete the skate in 1 hour and 5 minutes and her efforts raised around £200 for the Children With Cancer charity.

Well done Jenna!

Phoebe-Jo's Published Story

Charlton student Phoebe-Jo McKeown has had a story published on wattpad. You can read the full story here: https://www.wattpad.com/story/193275534?utm_medium=email&utm_source=android&utm_content=story_info

Two sisters, one world. Multiple hate and love. But who to trust? Who to hate? Lola and phoenix, twins of different worlds need to fight for their love and bond, through the light and dark, will they stand a chance for what comes? Will they be able to save themselves before it's too late?

Young Enterprise Company Programme 2019

Once again, Charlton School students are taking part in the year-long Company Programme provided by Young Enterprise. Students can “try the ultimate business challenge out for size” where they learn what it is really like to set up and run a business.

The team of students make all the decisions about their company, from raising the initial share capital through to designing their product or service to selling directly to customers and ultimately winding up the company and paying their taxes. The team is supported by our Young Enterprise Business Advisor Kim Hodgetts who brings a wealth of business knowledge and expertise.

The students who represented the school this year were:

REBOOT:

Skye Oliver (Managing Director)
Jeevan Chatha
Ryan Hall
Lewis Miller
Laura Thorpe
Rhys Tonkin

GIFT:

Anya Karam (Managing Director)
Megan Bailey
Jess Smith
Katelyn Smith
Tobias Randles

The Company Programme provides the opportunity for three trade fairs for the students to promote and sell their products/services. Both teams participated in trade fairs at The Darwin Centre, Shrewsbury and Telford Town Centre. This provided the teams with the opportunity to promote and sell their products face to face to members of the public in a fun and collaborative environment.

The final stage of the Company Programme for the teams was to present their enterprise idea to the

judges and other Telford and Shropshire competing teams at Priorslee Campus, Wolverhampton University.

The pinnacle of the Company Programme is the celebration of achievement awards held at the Park Inn, Telford in May. Reboot were nominated for 8 awards and won the ‘Foundations for a Business’ award. Gift were nominated for three awards and won the ‘Best Financial Management’ award.

In addition, both teams REBOOT and GIFT also represented the school and Young Enterprise –

Shropshire at a separate event in April. The West Midlands Trade Fair event was held at HSBC headquarters. Reboot were the winners of the Best Trade Stand.

Both groups have enjoyed real successes and overcome real setbacks that have enabled them to make for a truly valuable experience. By participating in the Company Programme, students developed and improved on essential career, employability and life skills including communication, confidence, financial capability, teamwork, organisation, problem-solving, resilience, initiative and digital skills.

I would like to take this opportunity to congratulate the students on their achievements and wish them all the best for the future. Also, I would like to thank the parents and staff who offered their support, and everyone involved in the Young Enterprise Programme including Kim Hodgetts, Business Advisor and David Graham, Young Enterprise Area Manager.

Who needs Glastonbury! School choirs ready to rock own festival

By [Sue Austin \(/news/authors/sue-austin/\)](#) | [Wellington \(/news/local-hubs/telford/wellington/\)](#) | [Telford entertainment \(/entertainment/telford-entertainment/\)](#) | Published: Jun 10, 2019

Children and young people from all over Telford are rehearsing for their own version of Glastonbury.

Last year's Charltonbury with teachers taking to the stage

Charltonbury is the Wellington Outdoor Music event held at Charlton School.

This year's festival, on July 9, combines music with family activities, stalls and sideshows and a host of refreshment choices.

There is also an Arts and Craft marketplace and the chance to try archery.

Assistant Head, Anna Vickers said the event gave children from all over Telford the chance to perform in front of the crowds.

"So far, several local primary and secondary school have signed their performers up for the once in a lifetime opportunity," she said.

This year we are joined by Short Wood Primary Choir, St Patricks Band, Dothill Band and Choir, Apley Wood Band, St Georges Choir, St Peters band and Choir, Crudgington Band, St Laurence Dance Group and Choir.

"We are also expecting some amazing performances from our secondary partners HLC and Ercall Wood and guest performers from Telford Park and Telford Langley secondary schools.

And of course there will be Charlton's own orchestra, dance company, choir, bands, drama groups and solo performers. We are also very excited to be joined for the first time by Street Dance Telford who will be showcasing their talent at the event."

Advertising

She said that the event was open to everyone in the community.

"At Charlton we pride ourselves in being at the heart of the local community and look forward to welcoming our visitors and guest performers for a night of musical and cultural celebration."

This year's Charltonbury will be held from 4.30-9pm. Tickets for the event, outside weather permitting, are just £2 in advance and £2.50 on the day. They can be purchased from reception or finance in advance or on the door.

Wellington heroes are honoured for 'outstanding' efforts

By [Mat Growcott](#) | [Wellington](#) | [News](#) | Published: Jul 13, 2019

The local heroes of Wellington were recognised at the town's annual civic service.

Shannon Marsh Lloyd, 13, was honoured for her litter-picking efforts

A range of people who have made an outstanding contribution to the area received a special award for their efforts.

Mayor Anthony Lowe said that the event, in All Saints Parish Church, was a celebration of all that was good about the town.

"The service, led by Rev Tim Carter, was a joyous, positive affirmation of the huge amount of good will and community spirit in Wellington," he said.

"How many small market towns can boast an international sculptor, a quality touring brass band which has performed in Paris, a primary school choir singing at the international Llangollen Eisteddfod and their own cinema?

"Not to mention residents so committed to their community that they offer huge chunks of their free time to support and develop the town they love?"

Creativity

"Wellington actually does have it all and at the recent ceremony some of the people who really work hard to improve the town for all were recognised with awards.

"We are not only a hub of creativity but also blessed to be surrounded by some beautiful woodland and open spaces - yet another reason to love living in the town."

Shannon Marsh Lloyd, 13, was given the young volunteer award for litter picking efforts, while Jacob Chandler received artist of the year for his sculpture work.

Jim Mostyn was given an award for his contribution to sport in the community for his co-ordination of the Bayley Mile, where hundreds of school pupils run a course around Wellington town centre.

Andy Harnell was presented with an award for his contribution to Dothill Nature Reserve. Rob Francis was given a Services to Wellington's Community award for his Maker's Dozen mural trail, for the midsummer fair and sounds in the square community events.

In addition, Shannon's proud mum thanked Charlton staff:

"It's great that she is surrounded by such supportive and thoughtful staff at the Charlton, who go that extra step to help others. Without you nominating Shannon, she wouldn't have won the Award for which she is truly appreciative. Recognition like this can really go on to help build Shannon's career, as well as developing her self-confidence and passion for conservation, whilst hopefully inspiring others too."

Pals in Wrekin challenge for Telford schoolgirl Hope, 12

By Nick Humphreys | Wellington | School events | Published: Jun 11, 2019

School friends of a Telford girl who could have died after a bout of flu left her severely ill are putting their best foot forward to raise money to help her.

Harvey Robinson and Lewis Evans are raising cash for their friend Hope Moorman by walking the Wrekin five times

Hope Moorman, 12, is recovering in hospital

Harvey Robinson and Lewis Evans, both 13, are set to walk the Wrekin five times in a day for Charlton School classmate Hope Moorman, 12, who had to have four rounds of brain surgery after collapsing in March.

She suffered subdural empyema, a dangerous condition in which pus gets onto the brain, and has had to learn to walk and talk again.

Thankfully, she is on the mend, and was all smiles last week. That's down in no small part to the lads, who have been there to support her.

Harvey's mum Kerry said: "At first I was worried that I was going to have to prepare him for the worst. We didn't know if she was going to recover.

"He was starting to get quite angry and upset. He couldn't concentrate at school. But luckily, things are looking up. He just wants to do something to help her because he has felt helpless.

"I'm really proud of them both, it's a lovely idea."

She added: "They're just friends from school. They're always playing Xbox and laughing.

"So far they've raised £270.

"Hopefully the money will support her for whatever she needs. It would be nice if it could go towards a holiday for them, it's been a hard time. They're been through an absolute nightmare."

Hope's mum Jeannine said: "Harvey's been amazing, bless him. They are constantly on the phone to each other. Lots of people have been helping out and raising money."

Harvey and Lewis are planning on taking on the challenge on June 30. To support their fundraising efforts, visit: uk.gofundme.com/raising-money-for-my-friend-that-had-brain-surge

PE Awards Evening

In June the PE department hosted their Awards Evening for the third consecutive year, to celebrate the students' sporting achievements and effort.

We are pleased to announce that 2018-19 has been the most successful year to date. The students have won 26 team trophies and reached 36 finals. There has also been unparalleled sporting success in a range of individual sports which have been celebrated on the PE social media sites: Twitter - charltonpe and Instagram - charltonschoolpe. Once again, we have seen Charlton students compete, and succeed, at District, County, Regional, National and International level.

We were very fortunate to invite Elliott Bennett to present the awards to our students. Elliott has played professional football over the last 10 years with 381 appearances, 56 of which were in the Premier League (Blackburn Rovers). We are very grateful to Elliott for supporting the evening.

One of our headline awards is the 'Team of the Year Award'. This category was hotly contested with the following teams finishing in the top three:

1st - Year 8/9 Boys Rugby team who were crowned County Champions beating Shrewsbury School in the semi-final and Adams Grammar School in the final.

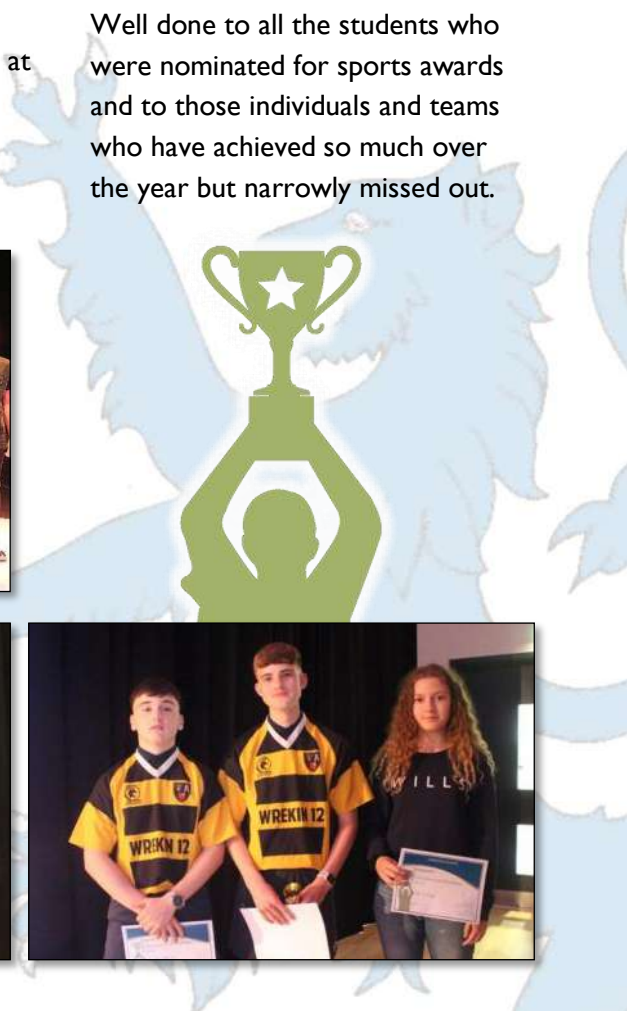

2nd - Year 10 Girls Handball team who were District, County and Regional champions, finishing 6th at the National finals.

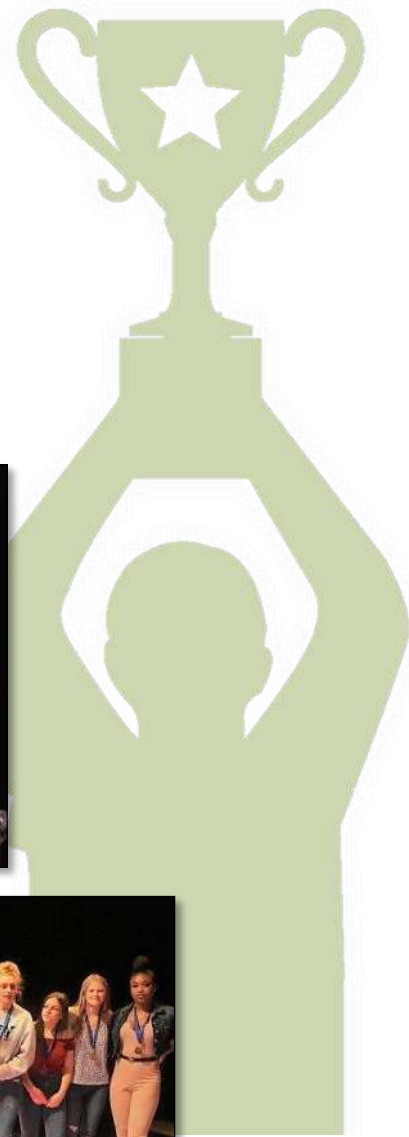

Joint 3rd - Year 11 Basketball – District and County Champions

beating Shrewsbury School, Concorde College, Adams Grammar and William Brookes.

Joint 3rd - Year 9/10 Girls rugby team – District and County Champions.

Well done to all the students who were nominated for sports awards and to those individuals and teams who have achieved so much over the year but narrowly missed out.

Slam dunk basketball success for Telford's Charlton School

Telford's Charlton School has lifted the year seven and eight basketball title in the latest event of this year's Shropshire secondary School Games.

More than 50 students took part in a hotly contested finals day, held at Langley School in Dawley.

William Brookes School of Much Wenlock finished second, with third place going to Thomas Telford School. Completing the top five were Thomas Adams School of Wem in fourth place, and Lacon Childre of Cl-bury Mortimer in fifth.

The School Games county finals are organised by active partnership Energize, based at Frankwell Quay in Shrewsbury, with teams representing one of six areas - two from Telford, plus North Shropshire, South Shropshire, East Shropshire, and Shrewsbury.

Harry Cade, engagement manager for education and families at Energize, said: "The competition is split into a series of mini-festivals which are held at venues across the county over the course of the year, each showcasing a different selection of sports and activities.

"Our next event will be the key stage three orienteering competition, to be held in the Carding Mill Valley on May 15."

For more details about the School Games, see www.energizestw.org.uk

SMOKE ALARMS
SAVE
LIVES

Fit a smoke alarm

The best way for you to protect yourself, your family and your home from fire is to buy a smoke alarm. They cost from as little as £5 and you can get them from supermarkets and in DIY stores.

Make sure you test the battery every week. If you need help or advice on which is the most suitable alarm for you or where you should install it, contact Shropshire Fire and Rescue Service on 01743 260 260. We will be happy to give you advice.

**DO YOU HAVE A WORKING
SMOKE ALARM AT HOME?**

**IF NOT YOU ARE FOUR
TIMES AS LIKELY TO
DIE IN A FIRE**

Plan a safe escape

If your smoke alarm went off in the night, would you know what to do?

- Plan an escape route and make sure everyone knows how to escape.
- Make sure all exits are kept clear.
- The best route is the normal way in and out of your home.
- Think of a second route in case the first one is blocked.
- Take a few minutes to practice your escape plan.
- Review your plan if the layout of your home changes.

Close to Boiling Point?

We are here to help

If you are worried about your mental health, or just have a few questions on how you can keep your mind healthy, drop into Beam, your new mental & emotional health service.

You will be met with a friendly face and someone to talk to about anything on your mind. You don't need an appointment or permission to come. Just drop in.

We are open:

Mondays 1:30pm-6pm at Hollinswood Neighbourhood Centre, 7 Downemead, Hollinswood, Telford TF3 2EW

Thursdays 1pm-6pm at Palmers Coffee Shop, Belmont Church Claremont St, Shrewsbury SY1 1QG. Pop in and find out more about what we do.

If you want to ask us a question or want to find out more about what we do, email us on AskBeam@childrenssociety.org.uk.

TAKING CHARGE OF YOUR LIFE

Struggle With Confidence?

Our free part time training courses can provide you with techniques to improve your confidence and self-esteem.

Meet New People

Stress Coping Ideas

Increase Self-Esteem

If you are between 15-24 the courses are free!
To book a place call Gemma at: 01952 245 015

Course Overview

• Week 1 - Effective Communication

We'll look at how to connect with people, what to do when you don't know what to say, how to use questions effectively and how to understand body language.

• Week 2 - Confidence Building

In this session, we'll examine where our lack of confidence originates. We'll learn strategies that can help self-esteem and explore situations we find difficult to handle.

• Week 3 - Stress Management

Here we look at the causes of stress, what it is and what are the effects. We will identify your stressors and offer stress control techniques.

• Week 4 - Managing Change

We'll look at types of change, coping with change that's forced upon us. Strategies for effecting change ourselves and setting goals.

• Week 5 - Valuing Self and Going Forward

Learn how to be more accepting of ourselves and identify our strengths and vulnerabilities.

A Guide for
Parents and Carers

CATE

Children Abused Through
Exploitation

A service for young people
aged 13 -19 at risk of
exploitation

What to do if you are worried about a child and sexual exploitation...

Contact:

FamilyConnect

01952 385385

familyconnect@telford.gov.uk

(Out of hours: 01952 676500)

We will require you as parents/carers to consent to any work we undertake if the young person is under the age of 16.

Who are 'CATE' and what do we do?

- A small team within the local Council
- Committed to identifying and working with young people who are at risk of Child Sexual Exploitation
- We build positive and trusting relationships to increase awareness and reduce the risk of CSE
- Working in partnership with all relevant agencies; Police, Safeguarding, Education, Health Services, Social Services and Voluntary Sector
- Offer one to one support delivering the CATE intervention pack covering 6 themes: 'What is CSE?', 'Healthy Relationships', 'Understanding Grooming', 'Internet Safety', 'Sex and the law', 'Peer pressure'
- Supporting young people to access other services/agencies as appropriate

What is Child Sexual Exploitation?

"Child sexual exploitation is a form of sexual abuse in which a child or young person is exploited, coerced and/or manipulated into engaging in some form of sexual activity in return for something they need or desire and/or for the gain of a third person.

The 'something' received by the child can include both tangible items such as food, somewhere to stay, drugs, alcohol, cigarettes or money and more intangible 'rewards' such as perceived affection, protection or a sense of belonging. Fear of what might happen if they do not comply can also be a significant influencing factor.

Common to all these scenarios is an imbalance of power in favour of the abuser and some degree of coercion, intimidation, exploitation, violence and/or enticement of the child or young person." (DSCF 2009)

The abuse can be perpetrated by groups or individuals, and by adults or peers.

**If you are worried about a child and sexual exploitation
phone FamilyConnect on 01952 385385**
