Classroom Entry & Exit Routines

How we enter a classroom:

Get to your class as quickly as possible.

Go straight into your classroom.
Do not line up or wait outside.

Greet your teacher positively:
'Good morning, Sir. How are you, Miss?'

Teacher checks uniform as you enter.
Uniform concerns are logged.

Students enter quietly in a
calm and purposeful manner.

Sit down and get equipment out straight away.

Begin the starter task in silence.

How we leave a classroom:

Pack your equipment away
when the teacher tells you.

Stand behind your chair.

Check your uniform
(blazer is on and shirt is tucked in).

You will not be allowed to leave
until your uniform is perfect.

You will be dismissed table by table in an
organised, calm and timely manner.

Uniform Reminders

Uniform concern logs can be viewed by parents by accessing the My Child at School website/app:

<https://www.mychildatschool.com/MCAS/MCSParentLogin>. The website/app can also be used to track House Points, sanctions (including C1's, C2's, BRR and Homework Concerns), your child's academic progress and key messages regarding attendance and attitude to learning. We strongly advise you gain access to this and review it regularly to enable you to work alongside us from home.

Please see key reminders regarding proper uniform below to help you and your child ensure they are meeting the schools' expectations and are able to wear their uniform with pride:

Boys

- Blazer and year group tie
- Pale blue shirt (Years 7 - 10)
- White shirt (Year 11)
- Plain black trousers (not jeans)
- Black/grey socks
- Navy V-neck pullover with school crest (Optional to be worn under the blazer)
- Plain black shoes (No trainers or canvas shoes)

Girls

- Blazer and year group tie
- Pale blue shirt - Revere collar is not allowed (Years 7 - 10)
- White shirt - Revere collar is not allowed (Year 11)
- Black tailored trousers (not skinny trousers or leggings, straight leg only), or Black knee length pleated skirt.
- Black or white socks or black tights
- Plain black flat walking shoes – Max. heel height 4cms. Max Sole 2cms
- Navy V-neck pullover with school crest (Optional to be worn under the blazer)
- Muslim girls may wear a navy-blue hijab and a navy blue kameez, abaya or maxi skirt with black trousers. Students are expected to wear a tie and blazer with their kameez, abaya or maxi.

Students should not wear hoodies or sweatshirts under their blazers at any time, including breaks or lunchtimes.

Uniform Bank

Take what you need, give what you can.

- Do you need help obtaining uniform?
- Do you wish to swap any items of uniform that are in good condition but no longer fit?

We have uniform and PE Kit available for a voluntary donation

Please ask at Reception or email reception@charlton.uk.com

CHARLTON SCHOOL

*Providing an environment in which all students can succeed,
with learning at the heart of all we do.*

Please can you continue to send in any items of Uniform you no longer require, especially blazers, and if you would like to swap sizes, please pop in and ask for Mrs Kinsey or Miss Littleford, or visit Pastoral.

**** We are in need of shoes, trainers and PE Kit, as well as blazers and ties****

Please drop off any donations in reception.

Your contributions really do make a difference.

We are really grateful for your support,
Thankyou – Mrs Kinsey – Deputy DSL

Mutual Respect

Individual Liberty

Tolerance

Democracy

Democracy can be seen as a state of society characterised by equality of rights and privileges. It can also refer to our nation's electoral systems.

Rule of Law

It is expected that while different people may hold different views about what is 'right' and 'wrong', all people living in England are subject to its law.

Mutual Respect

The proper regard for an individual's dignity, which is reciprocated.

Individual Liberty

Individual liberty suggests the free exercise of rights generally seen as outside Government control.

Tolerance

A fair, objective, and permissive attitude to those whose faith, religion and beliefs may differ from one's own.

Girls in STEM session with INN-Comm!

Well Done to our Year 9 Girls for Designing,
Marketing, Manufacturing and Testing their own
Model Car!

The group showed amazing responsibility and professionalism,
practised safety protocols and were organized and efficient in
their workspace!

CONGRATULATIONS STEM TEAM!

Students developed car concepts using sketches and team discussions. They recognized the importance of professional presentation in their design project. Students used workshop tools to create their car prototypes. They then tested their cars, gathered data and discussed improvements. Charlton students collaborated with their teams and respected other schools during the competition. They communicated efficiently when making decisions and presenting their ideas clearly. Students used their problem-solving skills as they tested and improved their cars. They showed resilience by learning from any setbacks and showed professionalism and responsibility, as well as effective time management!

Shrewsbury Colleges Group Science & Technology

Challenge Day - Monday 7th July 2026

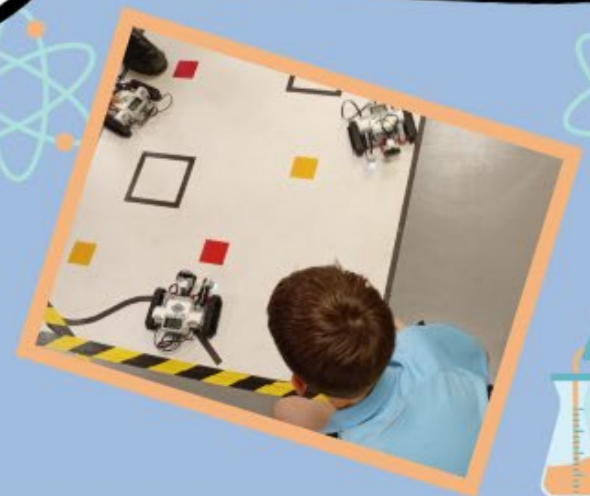

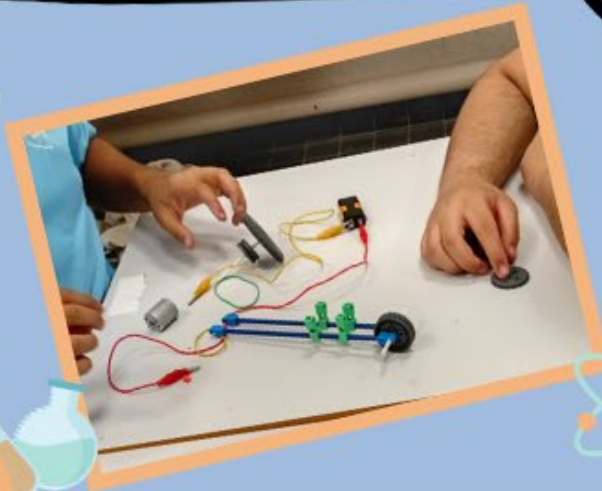

Students attended Shrewsbury Colleges Group Science and Technology Challenge Day at the English Bridge Campus in a series of exciting STEM-based challenges! Throughout the day, students worked in mixed-school teams, developing communication, teamwork

and problem-solving skills!

Charlton students were part of the winning teams in TWO competitions:
E-FIT Challenge Winners
Electric Vehicle Challenge Winners

Our team's electric vehicle also produced the fastest speed of the entire day, with no other competing team able to beat that score!

Well Done Team Charlton!

Your resilience, responsibility, teamwork and determination were inspiring. You represented our school with pride and achieved exceptional results!

Shrewsbury Colleges Group Science & Technology

Challenge Day - Monday 7th July 2026

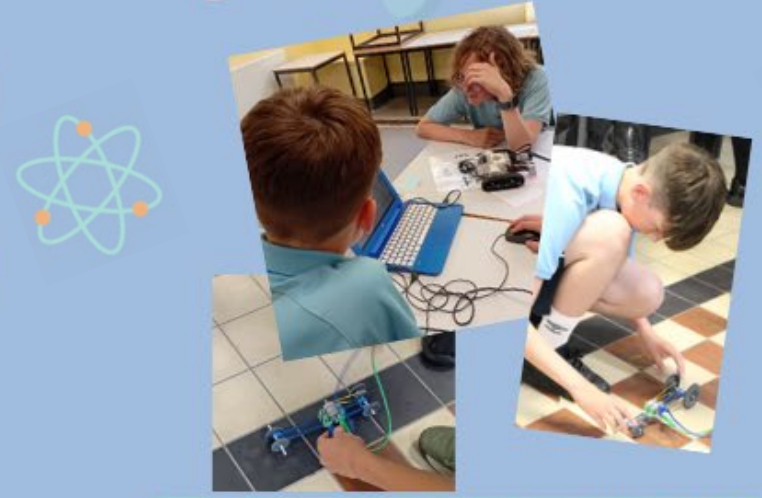

E-FIT Challenge WINNERS 🏆

Using professional police-style E-FIT software, students worked from witness descriptions to create an accurate image of a fictional suspect. This challenge tested attention to detail, communication and analytical thinking. Our students demonstrated excellent teamwork and creativity, contributing to a winning outcome. Their outstanding teamwork and attention to detail resulted in a well-deserved first-place finish!

Medical Diagnostics Challenge
Students investigated symptoms, analysed evidence and worked through possible diagnoses for fictional patients. Students also participated in a practical first aid and emergency response workshop, including CPR!

Mini Electric Vehicle Challenge WINNERS 🏆

Students designed and constructed a simple electric vehicle before racing it against other teams. They explored engineering principles including aerodynamics, weight distribution and efficiency. Their vehicle not only won the competition but also achieved the fastest recorded speed of the entire event!

Students were given their awards by Anna Turner, His Majesty's Lord-Lieutenant of Shropshire!!!

**A reminder that the
Red Box is available to
any students who need it!**

**Just ask for the Box at
Reception, Pastoral or the Media Hub!**

The background of the entire image is a vibrant illustration of a cricket match. On the left, a bowler in a white uniform is captured mid-throw, with their right arm extended forward holding a red cricket ball. On the right, a batsman in a blue uniform, wearing a helmet and leg pads, is in a ready stance, holding a wooden bat. The scene is set on a green cricket field with rolling hills in the distance under a bright blue sky filled with fluffy white clouds. Two cricket bats, each with a red ball at the end of the handle, are positioned diagonally on either side of the main title.
