4<sup>th</sup> June, 2020

Dear Parent/Carer

I hope that you managed to have an enjoyable half term break despite the current circumstances. The purpose of this letter is to share with you some changes that we are making to the home learning timetable from the week commencing Monday 8<sup>th</sup> June.

Up until now it has been suggested that students follow their normal timetable to structure their home learning tasks. We are now suggesting that students follow the timetable below and should spend no more than two hours on each subject. Teachers if necessary, will be adjusting the amount of work set to reflect the changes that are shown below. If students do require more work to complete above that which is set, they can contact their class teacher directly.

### **Key stage 3 (Year 7-8)**

	<b>Session 1 (am) 2 hours</b>	<b>Session 2 (pm) 2 hours</b>
<b>Monday</b>	History and Geography	ICT
<b>Tuesday</b>	Technology	Expressive Arts
<b>Wednesday</b>	English	Science
<b>Thursday</b>	MFL	Religious Studies and PSHE
<b>Friday</b>	Maths	PE

### **Key Stage 4 (Year 9-10)**

	<b>Session 1 (am) 2 hours</b>	<b>Session 2 (pm) 2 hours</b>
<b>Monday</b>	Maths	Physics
<b>Tuesday</b>	History or Geography	MFL or non-MFL option
<b>Wednesday</b>	Option A	Option B
<b>Thursday</b>	English Language	Biology
<b>Friday</b>	English Literature	Chemistry

We are also hoping to offer all students an online lesson for each subject before the end of term and I will contact you again shortly with details on how to access these lesson and the guidance that students will need to follow when taking part in them.

Year 10 students will shortly receive further information about the wider reopening of the school to provide some face to face contact to supplement the remote education, which will remain the predominant mode of education for them during this term.

Thank you again for your continued support during this time. Best wishes and good health.

Yours faithfully
