

# CHARLTON SCHOOL

*Providing an environment in which all students can succeed,  
with learning at the heart of all we do.*

**Principal: Mr A McNaughton**

Dear Parents/Carers,

We are continuously trying to improve the communication between ourselves and home, therefore after responding to various questions from parents/carers regarding the careers information our Year 10 students receive, please find below all the relevant information you require to support your child:

- All Year 10 are currently completing their personal statements in readiness for applying for their Post 16 courses in the Autumn term of Year 11. The Power Point they are working from has been assigned to their Doodle accounts.
- Some Year 10 students will receive an early career interview next half term with one of our Future Focus representatives; all students will have had at least one compulsory interview before they leave Year 11. Some students may have more, dependent on need.
- Students have been encouraged to consider the courses they would like to study when they leave Charlton and to start researching pre-requisite requirements.
- On CE Day, 7<sup>th</sup> October, all students will have the opportunity to meet our Post 16 providers, including training providers, colleges and sixth forms to discuss expectations and courses.
- Pathways Evening, 16<sup>th</sup> November, will provide opportunities for parents/carers and students to meet our Post 16 providers to discuss options and respond to any queries you may have.
- We have recently updated our website for Careers and Enterprise:  
<https://www.charlton.uk.com/parent-student-information/careers-and-enterprise> Here you will find an extensive range of information to support you and your child.
- We also encourage our young people to find opportunities to volunteer or find part time employment, which link to the career path they wish to pursue. Failing this there are links on our website for virtual work experience which we have been encouraging the students to participate in.

If you would like any further support and/or guidance please do not hesitate to email me at:  
[careers@charlton.uk.com](mailto:careers@charlton.uk.com)

Yours faithfully

Miss E Tattersall
