*...and all manner of things to delight!*

## MESSAGE FROM THE PRINCIPAL

As we move towards the end of our longest term in school, all staff and students are looking forward to a well-earned break!

Our Year 11s have been through an intense period of mock examinations, their conduct and attitude in the exam hall has been excellent, as have our Year 10s; I thank them all for their efforts and hope their hard work has been rewarded with pleasing results, and for others it has identified what they need to do to be better prepared in the summer.

It has been a busy term in school with regards to collaboration with schools across our multi-academy Trust. Being part of the Learning Community Trust has opened up additional opportunities for students; we are running a GCSE psychology course, maths and science

*“Being part of the Learning Community Trust has opened up additional opportunities for students.”*

master classes and a Trust rugby team.

We continue to work with colleagues

from across the Trust, sharing a wealth of good practise to ensure we are providing the best possible education across this part of Telford. Staff have also

*Mr A McNaughton  
Principal*

been taking part in the inaugural LCT sporting event as part of our staff wellbeing sessions. I am pleased to report the Charlton staff were successful in the Netball competition and next term sees us competing at badminton, it will be time for me to roll back the years and dust off the badminton racquet, to hopefully secure another victory!

I am always proud of the work students undertake to raise funds or collect goods for local and National charities. I was delighted to receive a certificate from Telford foodbank to confirm that our harvest collection was the single biggest donation received from any school in Telford during

*...continued over*

# Christmas Greetings

that period. We have made a commitment to continue this throughout the year.

My one standout memory for this term was the impeccable behaviour shown by our whole school community during our remembrance assembly, we were extremely

fortunate to have Mr Foskett play the Last Post. It was a memorable and very moving assembly.

It has been a strange period of time in the wider world with such uncertainty in our political system. We took the opportunity of the general election to teach our students about the various political parties and voting system in the UK. Our students were engaged in this process and it was interesting

to see the thoughts of our students compared to the outcomes we saw locally and Nationally.

Through our Christmas celebrations, both at church in our evening concert and our whole school assembly, we will use the season to continue our theme

---

*“We will use the season to continue our theme around a celebration of peaceful coexistence, no matter what our faith or beliefs.”*

---

around a celebration of tolerance and peaceful coexistence, no matter what our faith or beliefs.

Please take the opportunity the Christmas holiday provides to spend some enjoyable, valuable family time together with loved ones. Turn off the gadgets and Wifi and re-find the art of conversation.

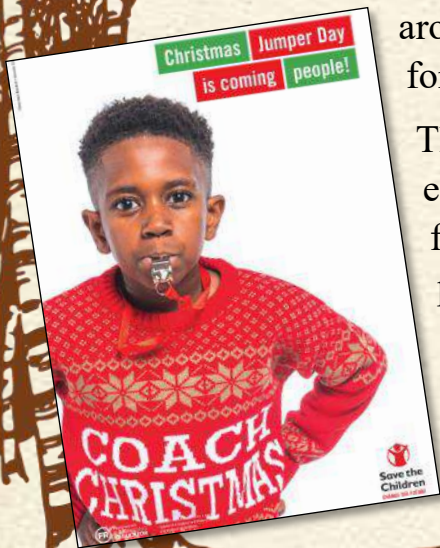

I wish you all a peaceful Christmas and a Happy and Healthy New Year.

## CHRISTMAS JUMPER DAY

The whole school took part in the Save the Children Christmas Jumper Day on the last day of term. We're awaiting the final count of donations, but we estimate around £1,000 was raised for this great cause.

Thank you to everyone for taking part.

## BOOKS FOR AFRICA

I would like to say a huge thank you to all of you who supported our Christmas fair table, Charlton has once again been very generous and you have raised a massive £116 which means we will be sending 16 boxes of books to 'Books for Africa'. Each box has 20k of books which I shall be arranging to be collected in the New Year, thank you all again for your support. I would also like to thank all of the TAs and students who put a lot of work in at short notice, you are amazing!

Mrs Swan

## SOCIAL CLUB

Social Club have been busy making crafty items for the Christmas fayre, which took place on Friday 29th November. Items included pom pom snowmen, book hedgehogs and Christmas trees, and lovely Christmas cards! The display was lovely – so a big thank you goes to all the students involved, club volunteers and especially Mrs Swan.

## Visit to Berlin

Year 11 students participated in the first ever History GCSE residential trip to Berlin, and it turned out to be a great success. Students flew from Manchester airport during the early hours, to get to Berlin to start their historical experience. They visited many cultural and historical landmarks, including: The Reichstag; The Topography of Terror; a guided walking tour of Berlin itself; Adolf Hitler's bunker; Memorial of murdered Jews of Europe; The Berlin Wall and Sachsenhausen concentration camp. Throughout the visit students behaved impeccably and asked engaging questions during their experience. Their trip to Berlin will undoubtedly give them a greater understanding of the Germany topic that they are currently studying, along with providing a holistic cultural insight to life in one of the most vibrant cities within Europe. Well done Charlton Berliners!

# CHARLTON'S GOT TALENT

We are very proud of the hard work our students put into preparing for this year's Charlton's Got Talent event. We were very pleased with the amount of students who auditioned to take part. There were entrants from all year groups performing a range of genres from Musical Theatre to Pop, and even some poetry.

The staff band performed this again year. It was great to see staff getting involved as role models to young people and we would like to thank them for taking part.

We'd also like to thank our judges: Mr Foskett, Mr Tristham and Mrs Vickers, and Mr McNaughton for presenting the awards.

## THE WINNERS

1ST

**Aidyn Green**

2ND

**Tash Evans**

3RD

**Jenny Aldridge**

## As You Like It

On 20th November, 13 students ranging from year 8 to year 10 performed 'As You Like It' as part of the Shakespeare School's Festival. Throughout the whole day and during the run up to the performance, they demonstrated professionalism that was well beyond their years and performed exceptionally well on the night. They received a five star review from the directors for their final performance and were even acknowledged as "the most professional company" that they had ever worked with.

A huge thank you to the students involved and also to the other staff who supported during rehearsals and throughout the day. They should be extremely proud of their achievements!

**Mrs Whitaker**

**NOT THAT BARD...**  
*"the most professional company"  
the directors had ever worked with*

## Oracy Project

Transitioning from primary to secondary school presents Year 6 students with a variety of challenges and opportunities; from parting with familiar teachers and routines, to embarking on the next exciting stage of their educational journey.

In partnership with St Peter's Primary, Charlton School has developed a new initiative using oracy-based learning skills to ease the transition of selected students from Key Stage 2 to 3.

Founded by Severn Teaching Schools Alliance, the program brought Primary and Secondary Schools from across the borough of Telford and Wrekin together to receive training from the innovative oracy education experts, Voice 21. Working in collaboration on this project were Mrs Bulkeley-Jones of St Peter's and our own Mr Robinson. The project involved two sessions during the end of the Summer

term at St Peter's and two during the Autumn Term at Charlton, with an aim to not only develop the oracy skills of the students present, but to identify and address any questions or concerns the students had.

With regards to the impact of the project, Mr Robinson said, "I have witnessed first-hand the positive impact that this project has had on our current Year 7s and can't express enough how valuable this opportunity was for the students and staff who took part. It has created the foundation for so many new possibilities surrounding how we as educators can ease and support the transition process; I am very excited for the future of the project."

The Oracy project is now in its second year, with both schools working with a whole new cohort of Year 6 students – watch this space!

## Harvest Collection

Telford Crisis Support have been in touch to thank all the parents, staff and students who so generously supported out Harvest collection this year.

We collectively donated 450kg of food and other essentials to be distributed through Telford's food banks, on top of the items collected in the box at Telford Central railway station.

The initiative from James Daisley in Year 9 was brought to the attention of government ministers, and the MDs of national companies and stars from TV at a community awards dinner which also resulted in promises of cash donations.

Charlton School was the biggest supporter of the food banks in the whole of Telford this year.

Well done everyone for helping to make a difference! Remember, you can donate all year round to NU4.

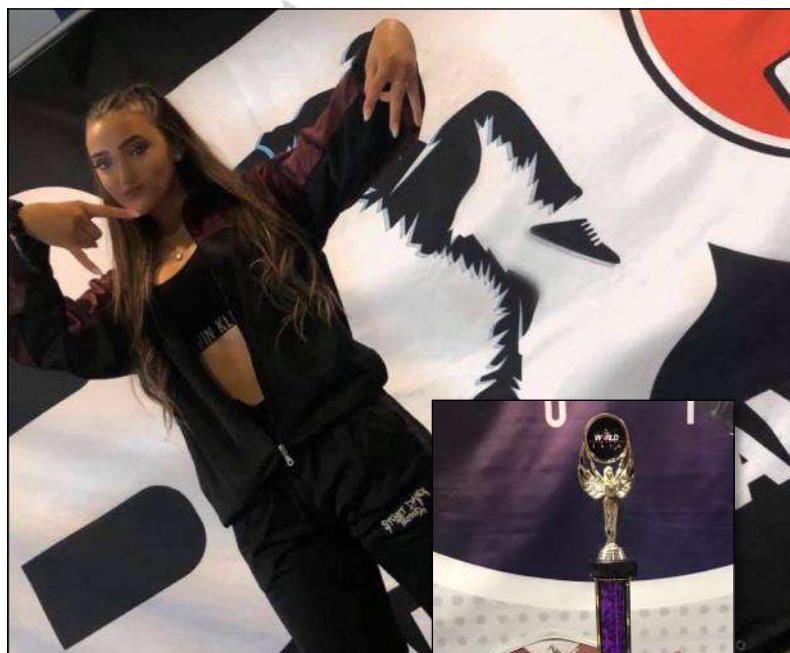

**OFF TO THE FOOD BANK**  
*Mr Pickering helps to move some of the 450kg of donations made by students*

## Jessika's World Class!

Charlton student Jessika Watkiss attended the Streetdance world championships recently.

Jess came 3rd in the world with her crew 'Colony', 3rd in the world with her Trio, and 3rd in the world in Megacrew.

It's a massive achievement to collect bronze in such a world class competition. Well done!

**TROPHY AND MEDAL**  
*Jessika danced her way to 3rd in the world!*

# Spooky Stories Competition

A spooky stories competition was held in November and students were encouraged to imagine a mini story creating suspense and surprise. Here are the winners!

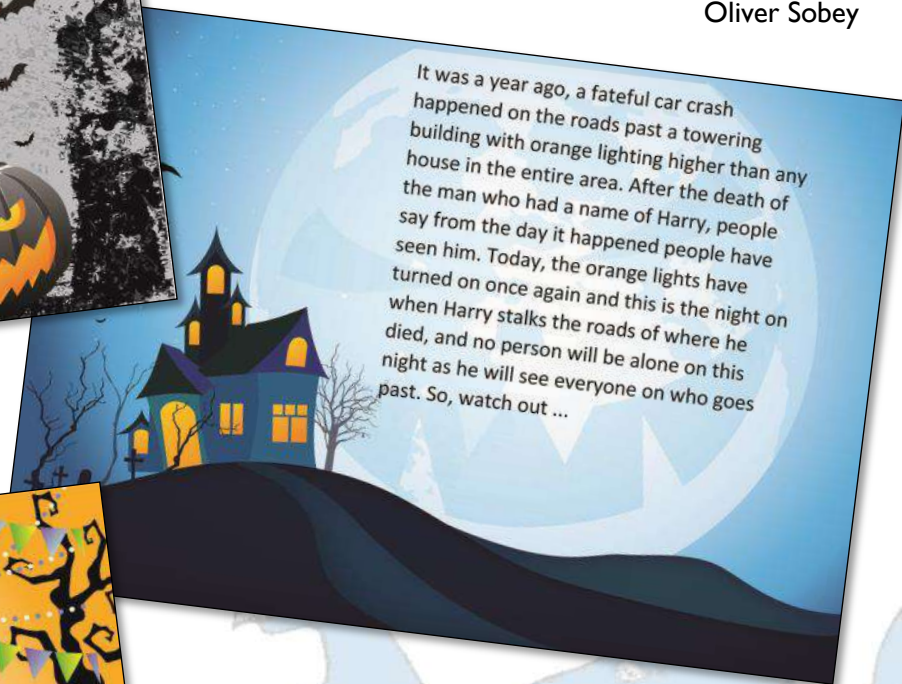

My friends were going on their honeymoon  
So, I offered to babysit their children  
One night I asked the children if they wanted ice cream  
So I went to get it in the cellar, I looked in the window and saw someone holding something  
I went back upstairs to give them the ice cream, once we finished I took the ice cream back to  
the freezer downstairs,  
This time they were looking in my eyes I went upstairs, and they were gone,  
Their parents came home I told them about the window they then told me  
That's not a window that's a mirror, it was behind me the whole time.

Oliver Sobey

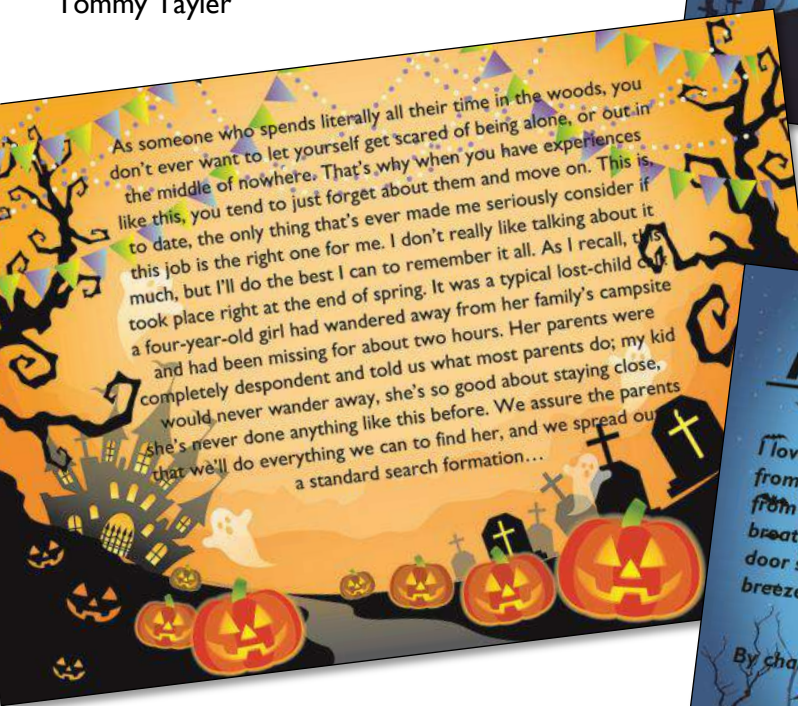

We alone since my parents died, yet they still kiss me good night  
the new there was an article about creature hiding in person's house, little do they know  
I've found another place to hide.  
I tried to sleep but there was something calling my name  
I woke up and I was staring back at myself.  
It's followed me for years now, I can't see it's reflection but I hear the voice  
They call me the names of all the people I killed.

Tommy Tayler

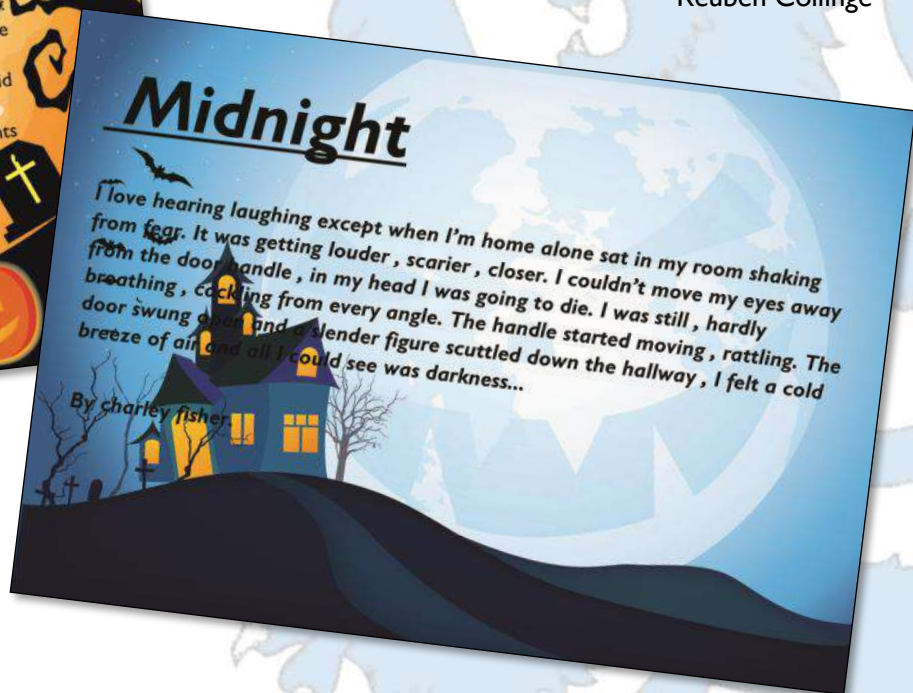

It was a year ago, a fateful car crash  
happened on the roads past a towering  
building with orange lighting higher than any  
house in the entire area. After the death of  
the man who had a name of Harry, people  
say from the day it happened people have  
seen him. Today, the orange lights have  
turned on once again and this is the night on  
when Harry stalks the roads of where he  
died, and no person will be alone on this  
night as he will see everyone on who goes  
past. So, watch out ...

Reuben Collinge

As someone who spends literally all their time in the woods, you  
don't ever want to let yourself get scared of being alone, or out in  
the middle of nowhere. That's why when you have experiences  
like this, you tend to just forget about them and move on. This is  
to date, the only thing that's ever made me seriously consider if  
this job is the right one for me. I don't really like talking about it  
much, but I'll do the best I can to remember it all. As I recall, this  
took place right at the end of spring. It was a typical lost-child call  
and had been missing for about two hours. Her parents were  
a four-year-old girl had wandered away from her family's campsite  
and had been missing for about two hours. Her parents were  
completely despondent and told us what most parents do; my kid  
would never wander away, she's so good about staying close,  
she's never done anything like this before. We assure the parents  
that we'll do everything we can to find her, and we spread out  
a standard search formation...

Alexander Fletcher

## Midnight

I love hearing laughing except when I'm home alone sat in my room shaking  
from fear. It was getting louder, scarier, closer. I couldn't move my eyes away  
from the door handle, in my head I was going to die. I was still, hardly  
breathing, cackling from every angle. The handle started moving, rattling. The  
door swung open and a slender figure scuttled down the hallway, I felt a cold  
breeze of air and all I could see was darkness...

By Charley Fisher

Charley Fisher

## Pathways Evening

Tuesday 19th November welcomed a whole host of providers to school for the annual Pathways Evening. Present were people from local colleges, universities, training providers, companies promoting their apprenticeship schemes and the armed forces.

Nearly two hundred students attended to discuss their future options along with their parents. It was a fantastic opportunity for the parents to meet the providers and explore the opportunities available after Charlton school.

The providers were impressed by the interest shown on the evening and complimented the students on the fantastic questions posed to them.

The evening will be held again next year; we look forward to welcoming all students from years 9, 10 and 11.

## GSUS Live

This term we have hosted the GSUS Live project who brought a mobile classroom in the back of a truck for a week. Nineteen classes were able to visit this immersive interactive experience, rating it very highly for enjoyment and interest.

They were able to follow one of three young people through issues of fear, rejection and forgiveness, receiving a printout of their responses at the end.

## Manchester City vs Shakhtar Donetsk

Wow! What a night we had at the Etihad Stadium watching the Premier League title holders Manchester City take on Skakhtar Donetsk.

It was the 5th game of the group stage of the Champions League.

We had amazing seats on the first two rows pitch-side and were lucky enough to witness the first goal close-up as it was scored only 10 metres from our seats.

It was an unforgettable experience for all the students and staff when the stadium erupted after Manchester City scored.

It was a very worthwhile trip and the students were a real credit to the school.

**PITCH-SIDE SEATS**  
*Students enjoyed a close-up view*

# Great Learning Community Trust Banquet

Have you got what it takes to get a dish through to the 'Great Learning Community Trust Banquet 2020?'

A competition will be held between all members of the trust—last year it proved to be a popular event!

To enter, you will need to design a meal you feel would be worthy to serve at the Banquet.

### It should be:

- three courses
- healthy
- use a range of skills
- be prepared and served in 2 hours
- cost no more than £15

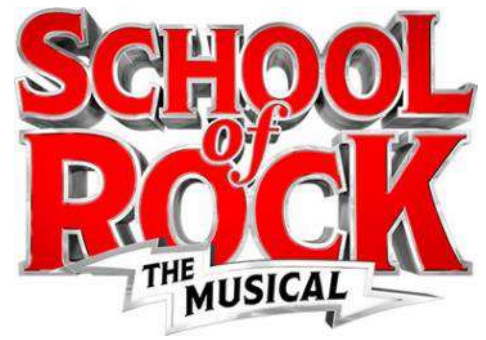

### Dates and further information:

Trust heats will take place between January and February half term, with the top two from each school going through to the final at Ercall Wood Academy at the end of March. Finalists will cook off against each other, judged by a group of invited guests.

The winners will cook a banquet aided by their peers in the summer term for Trust members, the head teachers, governors and invited guests (a maximum of 50 people).

### Interested in taking part?

See Mrs K Jones (TC7) for more details.

Rehearsals have been going very well and tickets for the production will be on sale from Monday 13th January through our Finance Department. They are priced at £3 for concessions (Under 16s, Students and OAPs) and £3.50 for adults.

I would like to take this opportunity to thank you for your support so far with the production. I realise it is a huge commitment from both students and parents and I am aware of the effort and organisation from parents that goes into ensuring students attend rehearsals.

We look forward to sharing the performances with you!

**Ms Wheat**

## Inspired by Ian Berry

Grace Davies used the art work of Ian Berry as inspiration for her exam work last year. Ian 'paints with denim', creating artwork solely from denim; re-using jeans, jackets, and other denim clothing to create portraits, urban scenes and other unique works.

Grace's mum sent a picture to him and he's posted it on his Instagram page. It's fantastic that Ian recognises and appreciates what Grace has done.

# WHO CAN USE BEAM?

**Anyone** under the age of 25 can get support from Beam.

**Parent and carer support** can be given in conjunction with a young person.

**No referrals & no appointments:** those wishing to access the Beam service can just come along to a drop-in session.

Beam is run by **The Children's Society**, a national charity that works with the most vulnerable children and young people in Britain today. For more information about the history of our organisation, as well as details of our various projects, please visit our website:  
<https://www.childrenssociety.org.uk>

We are a friendly team made up of **Therapists, Youth Workers & Wellbeing Volunteers.**

We listen & know this can make all the difference.

Our aim is to give advice, sign-posting and support with any concerns relating to feelings and emotional wellbeing.

**WE WILL** Help you to understand your thoughts and feelings, give you practical support and suggestions as well as worksheets to take away if needed.

**WE WON'T** Diagnose, automatically make referrals or provide appointments.

It can be scary going somewhere for the first time: our drop-ins are set out to be as welcoming as possible. A team member will greet you and ask you to register before a practitioner will introduce themselves, and then take the time to listen before making suggestions.

## WELLBEING WORKSHOP CALENDAR

JANUARY—MARCH 2020

Beam workshops offer children and young people the opportunity to access therapeutic group support relating to a range of common mental health and emotional wellbeing topics.

For a young person to attend a workshop they will need to be registered with Beam, and have attended one of our drop-in sessions beforehand.

Unless stated, there is no need to book. However, places are allocated on a first-come, first-served basis. Refer to workshop flyer for details.

Workshops will not run with less than 2 young people.

The Beam service works to empower children and young people in managing their emotional wellbeing, therefore it is important that the young person wants to attend a drop-in session or workshop.

[AskBeam@childrenssociety.org.uk](mailto:AskBeam@childrenssociety.org.uk)

# Sleepy Heads

Workshops for young people aged 8+ to learn about the importance of sleep for wellbeing.

These workshops will be held in our Wellington and Shrewsbury venues as follows:

**Beam in Wellington**  
Tuesdays 4.30-5.30pm  
3<sup>rd</sup>, 10<sup>th</sup>, 17<sup>th</sup>, 24<sup>th</sup>, 31<sup>st</sup> March 2020

**Palmer's Café**  
Thursdays 4.30-5.30  
5<sup>th</sup>, 12<sup>th</sup>, 19<sup>th</sup>, 26<sup>th</sup> March & 2<sup>nd</sup> April 2020

Booking not required. First come first served. Max. 6 participants. Workshop will not run with less than 2 young people.

# CATE

Children Abused Through  
Exploitation

A service for young people  
aged 13 -19 at risk of  
exploitation

## What to do if you are worried about a child and sexual exploitation...

Contact:

**FamilyConnect**

**01952 385385**

**familyconnect@telford.gov.uk**

(Out of hours: 01952 676500)

We will require you as parents/carers to consent to any work we undertake if the young person is under the age of 16.

## Who are 'CATE' and what do we do?

- A small team within the local Council
- Committed to identifying and working with young people who are at risk of Child Sexual Exploitation
- We build positive and trusting relationships to increase awareness and reduce the risk of CSE
- Working in partnership with all relevant agencies; Police, Safeguarding, Education, Health Services, Social Services and Voluntary Sector
- Offer one to one support delivering the CATE intervention pack covering 6 themes: 'What is CSE?', 'Healthy Relationships', 'Understanding Grooming', 'Internet Safety', 'Sex and the law', 'Peer pressure'
- Supporting young people to access other services/agencies as appropriate

## What is Child Sexual Exploitation?

"Child sexual exploitation is a form of sexual abuse in which a child or young person is exploited, coerced and/or manipulated into engaging in some form of sexual activity in return for something they need or desire and/or for the gain of a third person.

The 'something' received by the child can include both tangible items such as food, somewhere to stay, drugs, alcohol, cigarettes or money and more intangible 'rewards' such as perceived affection, protection or a sense of belonging. Fear of what might happen if they do not comply can also be a significant influencing factor.

Common to all these scenarios is an imbalance of power in favour of the abuser and some degree of coercion, intimidation, exploitation, violence and/or enticement of the child or young person." (DSCF 2009)

The abuse can be perpetrated by groups or individuals, and by adults or peers.

**If you are worried about a child and sexual exploitation  
phone FamilyConnect on 01952 385385**
